“ *I remember first meeting you Teeka, after many years of not seeing you, and quickly I had a friend in you. I always had my buddie in the basement to talk to and I always looked forward to listening to what you had to say. So many memories of you will stay with me forever and things will never be quite as much fun without you around. Sleep Easy Aunt Teeka - Morgani =]*

“ I keep waiting to hear "hi it's me" on the phone, and yet I know my phone isn't taking your call any longer. We are now coming to our first holiday, our first Easter, without you here in body, but, like our lord, I know that you are around in mind, in soul, and always in my heart, all of your family's hearts! I know that you still are here in some ways, because I have heard more Gin Blossoms in the last month than I've ever heard before. Although, I usually cry a little, it makes me smile because I know that you are near. I miss you Teeka, and sometimes I still can't believe that I won't see on this side any more. My heart still weeps for Randy, my God, what he has gone through, and for sweet little Meg, who misses Gramme. Randy you know we are always here for you honey, know matter what. We love you!! A little Heavenly news flash Teek, RUSH is coming, "Ente Nous" my sister!

“ AFTER GLOW

I'd like the memory of me to be a happy one.

I'd like to leave an after glow of smiles when life is done.

I'd like to leave an echo whispering softly down the way,

Of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve, to dry before the sun,

Of happy memories that I leave When life is done.

“ *Teeka will be dearly missed. I worked with her at Synergixx for 2 years. Teeka was my favorite. We met each other through our smoke breaks that we both HAD to have every hour or we would snap. During the time I spent with Teeka I learend that she loved life and music. Teeka and I both enjoyed RUSH and WMMR. I love her and she will always be in my heart. Great friends are hard to come by..*
