“ Stephanie is not only family—she is my friend. We giggled like kids trying on clothes and putzing around with makeup, pink lipstick in particular, on our impromptu outlet shopping sprees, and excitedly planned our many outfits (we just couldn't make up our minds!) for the day our children Thea and Danny would get married. Stephanie showed me reciprocity in friendship: when I hadn't called in awhile and apologized, she would say, “well, I haven't called either, so forget about it!” Stephanie stood up for me if anyone was out of line — just ask the sassy kid who worked behind the counter at Nautica! She is brave, strong, fierce, and loving. She is my friend. Love, Lois

“ To Danny, Thea and the Cahall Family,
I had the pleasure of meeting Stephanie at Danny and Thea's wedding last year. I very much admired her spirit and warmth as soon as I met her. After knowing Danny for some time, I was happy to meet the woman who raised such an intelligent, caring and warm man. She was thrilled to be the groom's mom and it was lovely to share in her happiness. We are so sad to find that she has passed but I do believe her family will always have her grand spirit in the hearts forever. Stephanie- please be at peace and bask in the love your family has for you. Sincerely, Gina DeAntonio Chebetar

“ So very deeply sorry to the whole family; Aunt Esther, Christine, Bob, Laura, Dan, Dumitru and all the grandchildren. Our hearts hurt for all of you.

Our beautiful cousin Stephanie, was highly spirited, energetic, vigorous and very generous. Always had a special spark about her, that was truly her. Whether it was at family gatherings; parties, or just hanging out together, she was fun to be around and have some laughs, many good talks and laughs together with the family !

Will always cherish the many many memories, and of course, those we all shared with our beloved mother, Aunt Lily.

We will never forget your kindness, even randomly, always considerate of our mother and our well-being.

Stephanie loved her family, and the grandchildren. She adored her pets, and was so devastated when she lost Max and Ringo.

We also, all understood that hurt, as well. A hobby, and THING, so to speak, of hers was as far as I can remember, was to capture the moment with a camera.

Something that was very special to me, as well, snapping pictures. But through her, I realized it was even more meaningful over time to take pictures and capture the moment in time, no matter !

She used to take pictures of everyone, at any time, even through joking protest, but she would always say, " One day you'll look back on these and be glad we have them !"

So true, Cuz. I can go on, but I'll just say we are so heartbroken to have you go, and for the family, but you are at peace and there's no more suffering. God bless you, always. We love Stephanie. ❤️ Your cousin,

Ramona Sparano.
