“ It is a testament to how much Steve was loved knowing that our family is one of many who felt like he was a member. We were fortunate to see him grow from childhood thru adolescence to become a well mannered and fun loving young man. He was welcomed anytime day or night. Although our beliefs give us comfort knowing that Stephen is in a better place I am troubled by one thought. Can heaven possible have enough pop tarts?? We will love him and cherish the times we spent with him. Forever

“ I graduated with Steve in class of 2010. We walked in graduation line together, side by side. Knowing him throughout high school was by far a great memory. He was a great friend to myself and everyone around. He made anyone laugh. I remember I used to drive him home sometimes and we would just hang out with our friends and just have a good time. He was also very good at guitar. I cant believe this happened to such a great person. My thoughts and prayers go out to the Abbott family.
