“ *My deepest sympathy to the family. Steve and his brother Jeff provided many great memories from their time at Millville High School. Steve had unbelievable enthusiasm in everything he did. In reuniting with him a few years ago, he was still enjoying life and full of fun. Steve leaves all of us who were fortunate enough to know him with many joyful memories. Again my sincerest condolences to the family. He was truly a special man who, although taken from earth far too soon, leaves behind a tremendous legacy for all that he has accomplished. May he rest in peace.*
