“ *I remember when we were kids, we would walk to or from Aunt Helens house. On the way there was this house that we used to pass that had the most beautiful flowers. Jo-Ann, Jeanie, Soupy and I picked some of the flowers. The lady came out and yelled at us. We ran away as fast as we could. I was the smallest and falling behind. Soupy came back and grabbed my hand to help me run faster. I will never forget that.*

*Love you,

“ I have known Sue since she was 28 yrs old. We became immediate friends. She was family to me. I just recently reignited with Sue after about 15 yrs. Our friendship picked up as if we never parted. I truly loved Sue or as I called her Soupy. I never judged her she was always a genuine good soul in my eyes. She would give you the shirt off her back. She loved to give. That is one thing I can say about Sue she loved to give and to make others happy.

Sue will always have a special place in my heart. I love you Soupy.
