“ *Dear Michael, I am devastated to hear about mom's passing, I had just gotten a letter from her on facebook in January, after not hearing from her in awhile. I was so excited to hear from her, I wrote her back, and she never responded, now I know why. My heart is broken, she was a great friend, we used to laugh so much we would have tears in our eyes. Michael, please find me on facebook so we can talk. If you need me, you know I am here for you. I will miss my dear friend. RIP "Sue" I Love You!*

“ *I was so sad to hear of Sue's passing. She was a wonderful friend and caring person. My prayers and sympathy go out to her family. We have been dear friends for about 8 years now and I will miss our morning coffee and chats about life and family. I am so sad I won't be able to make the service but my thoughts and prayers will be there with you all day. Rest in Peace Sue.*
