“ *Grandmom...I dont even know where to begin. I have so many wonderful memories of you. I am going to miss our holidays together..Christmas is going to be tough...that was our holiday. I thank you for being you. You made being a granddaughter a role well fulfilled in life. I know you are with Pop and your journey is complete. Lainey and I have two angels now and I take comfort in knowing you will always look after us, like you always have. We love you always..*

“ Mom, I can't even begin to tell you how much I miss you. I know at
times I got impatient but I love you with my whole heart. I will never
regret bringing you to live with me. It was one of the best decision I
ever made. I will miss out TV nights together most of all. I know you
were ready to leave us. I was not ready to let you go.
