

## Suzanne E. Cary

October 28, 1960 - December 31, 2021

Suzanne E. Cary (nee Conway) on December 31, 2021 of West Deptford. Age 61. Loving wife of Jeffrey S. Cary. Daughter of the late Eugene L. Conway and Judith (nee Bird). Beloved sister of Barbara Conway of Delaware, Lee Conway (Colleen) of Illinois, David Conway (Rachel) of Deptford, Mary Conway (Bonnie) of Brooklawn and the late Robert T. Conway, Sr. (Sherry) of Deptford. Also survived by many loving nieces and nephews.

Suzanne passed into the ages after a lengthy illness and will be missed by all she touched. She was born in Mt. Holly and raised in Deptford before living in West Deptford with her husband/partner of thirty-two years. She was a proud graduate of Deptford Township High School.

Suzanne loved cooking (4-star chef), shopping, concerts, country music (Where are you Keith Urban?), NHRA Drag Racing, NASCAR (Where are you Kyle Petty?) and of course her beloved Eagles.

Universally loved and respected by her peers at Keystone Industries in Gibbstown for thirty-one years. She maintained the highest standards among her fellow employees and her credo was always if nobody else could do it, "Sue" could do it, and she usually did.

Her lifelong love of the mountains encouraged her to visit Montana, Colorado

(Pike's Peak), Wyoming, Yellowstone and Grand Teton. Sue and Jeff traveled extensively over the years from Montreal to Miami to San Diego to New Orleans to Hawaii to Alaska to the Yucatan and those mountains. She married Jeff on the Las Vegas strip in 1997.

Sue and her ever-present wise-cracking spirit will be missed by all who knew her.

Services private at the convenience of the family.

“ *I was lucky to call Sue my sister, friend and co-worker. She lived up to all three of those titles. She became my angel way too soon but I am comforted with the thought that she is no longer in pain and now I have another special angel watching over me. I will hold each and every memory close to my heart. Thank you for being a great sister and a strong, amazing person. All my heart...Love, Mary*

“ Sue realized I was craving skittles during my recent pregnancy and when I came in the following morning there were two huge bags for me as well as a picture frame for my baby and his handprints/footprints. I will think of her fondly forever and especially when I look at that picture frame. Wonderful, funny, dynamic woman.
