“ *My heart goes out to you and your family. May each day you remember all the good times which you have shared. Time will lessen the pain of grieving and all that will remain will be your fondest of memories. God Bless Brenda*

“ *We had just moved back home with Pop pop and Grandma Joan. I was only nine and had no friends. I was really homesick for CA. I didn't know just how big the Kopaczewski family was until that night on my tenth birthday. That was only Aunt Dot's kids. I asked you why is everyone talking so loud? You told me "that's just how us Polish Folks talk! We're a loud bunch!" everyone started laughing. You made me feel right at home. That was just one of the of the many fond memories I will always have of you. We will Love and Celebrate you Pop pop. Love, Ericka*

“ To the whole Kopaczewski family - I am so sorry for the loss of your father/grandfather. I know how much you all will miss him. He was such a cool guy, and having known your family my whole life, I see can alot of Ted in his kids. He really knew how to have a good time, and I think he lived his life to the fullest. It was obvious how much he loved his family. I will miss seeing him around the neighborhood. Please know that you are all in my thoughts and prayers. Take care,
Love, Debbie

“ Dad, my Best Friend, I'm thinking I'm having a bad dream and will wake up soon, Suddenly, I realize the shock of not being able to talk with you anymore and get advice. I will miss you the rest of my life, and always remember the great times we shared. You set me on the right path for life and you will always be my idol. Growing up you were always available with great advice. You took great care for your family and loved ones. I will also remember the Holidays and fun times on our vacations to visit family on the West Coast and also our trip to Florida. I was fortunate to spend more time with you during the past few months and share some moments that I will never forget at your local favorite places. I know you fought your illness to end and never gave up hope. My Dad and Best Friend has attained peace and on his way to Heaven to be with our Lord.
