“ Ted, and I were stationed at Otis AFB Cape Cod in 1963. We worked out together and we lifted in the USAF weight Lifting competition in Dallas Texas in 1964. Ted won his division in the Light Heavy Class (181lb). It was my first competition and Ted helped me in the three lifts, and I came in second in the 165lb class. my very first competition.

He was discharged from service after coming back from service in the Phillipines, i believe in 1966. He lived in East Orange NJ , and i lived in Edison NJ but we never saw each other after discharge.
