“ On behalf of Teds friends at the Woodworkers Guild of South Jersey, I offer our sympathies to his whole family. He was a great friend and a genuinely nice guy. I always looked forward to saying "hi" to him each month, and we knew of Teds devotion to his wife which caused him to miss some meetings.

It was clear that Ted loved working with wood, and I admired his passion for "getting it right". I can just imagine how much joy he brought to others with his craft. We are richer for having Ted in our group, and we will miss him.

*Sincerely,
Mike Richter, President*
