“ Janice and Jennifer,  
Bob and I will never forget when we moved into 14 Argo, how Teddy was the first neighbor to greet us with his wonderful produce he grew in hand welcoming us and letting us know if we ever needed anything... so rare these days. He is at peace now...may you both find peace in the love that will live always from Teddy.  
God Bless!

“ *Teddy has been a family friend for a very long time. I didn't get to see him often but whenever I did, he ALWAYS made me laugh.*

*I grew up in the 70s in Oak Valley and to me, Deptford cops were like rock stars. So the fact that I knew one personally was the coolest thing on earth. I remember walking into the old 7-Eleven at Ogden & Georgetown Roads one night with someone from my family. Just before we walked in, Teddy was walking out and was on duty. He gave me a big “Hey Mike, how ya doin!?” and stopped to talk to us for a while. I remember thinking ‘Does anyone see this? I know this guy and he knows me’. I remember that night like it was yesterday and think about it whenever I pass by that store today. It's funny how simple things in life can sometimes mean so much to people. I'm sorry I never shared that story with Ted before his passing and to thank him for taking the time to stop and talk to a little kid who grew up to be a cop.*

*My condolences to Jan, Jen, and the rest of Teddy's family.*

*Thanks for the memories Ted. Rest in peace.*
