“ *I am still completely heartbroken over the passing of Theresa. Theresa was a long time friend of mine as well as my families. Theresa was one of the kindest, sweetest people I've ever known. Her infectious smile and presence will be missed on Woodcreek Road. I hope she found peace being reunited with her mother, her brother, and her husband JB. Rest in peace Theresa, my friend* ❤️

“ My heart breaks for Theresa’s family especially little John. I am deeply saddened that she passed so suddenly from this wicked sneaky virus. I will miss Theresa as i considered her the kind of friend that no matter how much time has passed between phone calls or visits, it’s as if no time passed at all. She was my Avon friend too. Theresa loved her son, she talked about him all the time. I know she loved her family deeply. It showed! I am so sorry that i can’t make her memorial service because of my husbands post-transplant status and this horrid virus. Please know that my prayers will continue for her and her family. Theresa was my friend and i will miss her, she was a pure hearted woman. My sincerest sympathies. Linda Phelan

“ Bob, Robin, Karen and Johnny, I am so very sorry to hear of Theresa's passing. I am still in shock and can't believe this can be true. Theresa and I were first ever friends to each other, grade school pals and lifetime friends...the kind that pick up right where we left off no matter how much time since we last saw or talked to each other. We just spoke for hours on the phone shortly after John passed. As always, we laughed, reminisced, shed some tears, and talked about the craziness of what is going on in the world. Ironically, one of her last texts to me was to be sure to stay safe. She was always the one worrying about everyone else. I will miss her incredibly and life will never be the same without her. My heart breaks for all of you. She will always be in my heart and in my memories. Jack and I are sending our love to you all.
