“ I lived with Terry briefly, and then we lost touch, regrettably. I only today found out that she passed. I am so sad, but grateful to have known someone as unique and warm as Terry.

And Terry, I'm sorry I didn't believe you at first when you told me about our roommate. It was hard to figure out what was going on, at the time- a lot of confusion. I do hope that are at peace. I will always be thankful that you took me into your home.

“ *To my dear friend, I am already missing you and the meaningful times that we shared. You made me laugh, taught me about spontaneity, and accepted me into your family. Roma, Joann and John, I pray that you will find comfort, knowing how much your sister is loved. She brought happiness to so many lives. In my heart, she will always be dancing to the oldies!*

“ What can I possibly say about Terry that everyone else already knew about her! Her smile, her laugh (that got everyone around her laughing) and her ability to have FUN no matter what the circumstances. I had many occasions over the years when I got together with Terry and her sister, Roma (my dear friend), and I always came away with a smile and a happy heart because a good time was had by all. I was not blessed to see Terry in the past few years and for that, I am sorry. I DO know that Terry is brightening up Heaven for sure!

So glad I got to speak with Terry several times while in rehab. She absolutely has the best laugh! Shared adventures Joann and I had on cruises. Terry got a kick out of it. I hope she is finally pain free and at rest. You'll be missed cous, but not forgotten. 🙏😭❤️
