Wow absolutely beautiful. Made me sad. You guys have an awesome family. At least aunt Theresa is with uncle Frank her husband in heaven. Wish all families were as close as yours. Nice to see everyone and how everyone has grown up and of course gotten older to which sucks so bad. We had an awesome childhood didn't we? Memories are good thank God. Miss all of you and love you all. Have so so much catching up to do. It's so true life is to short. See you Friday and may God bless you all and your families. Love you all. Thanks for the video.

“ *My Aunt Theresa*

*I thought I saw her face today
In the sparkle of the morning sun.
And then I heard the angel say,
"Her work on earth is done."*

*I thought I heard her voice today
Then laugh her hearty laugh.
And then I heard the angel say,
"There's peace, little one, at last."*

*I thought I felt her touch today
In the breeze that rustled by.
And then I heard the angel say,
"The spirit never dies."*

*I thought that she had left me
For the stars so far above.
And then I heard the angel say,
"She left you with her love."*

*I thought that I would miss her
And never find my way.
And then I heard the angel say,
"She's with you every day."*

*There were so many gatherings, meetings, birthdays, celebrations,
and more that we spent and shared together. Without you available
to just call and chat leaves me feeling empty inside.*

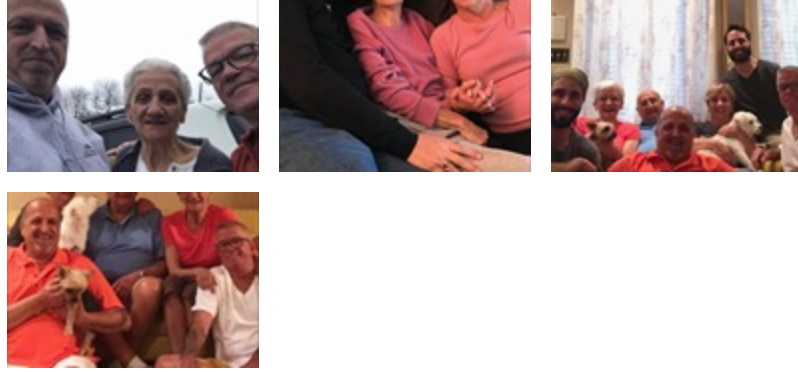

*But I know that you're where you need to be, no longer in any pain
and you are free.*

*You're with the family members that has gone before us, and I know
you are ALL*

looking down and watching over us.

Aunt Theresa, You will be missed terribly, we All love and Miss you.

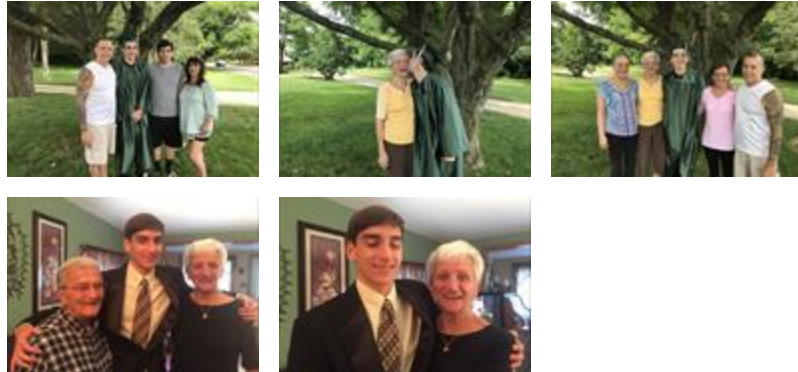

May You Rest in Eternal Peace

“ To Aunt

Terry and family....

*I'm so sorry for your loss, honestly we know how bad that feels and how it hurts, but know your mom is probably raising some hell up there right now and everyone is loving there NEW ANGEL! We had such awesome memories and we will never forget you aunt Terry . Ill never forget the first time you told Paula and carol to "keep" this! It was a pile of clothes, I thought omg keep a pile of clothes? Then We all laughed later when you explained what it meant, its little things like this that become BIG Memories ! Even though families drifted apart, you and the gang will always be close to us in heart!
Love always*

“ I am just so sad to hear of Theresa's passing, and wish I was still in N.J. to be there. We worked together since 1980, and went through many trying times together with our children. She was always my rock and I loved her dearly. My life will never be the same without her in it. Love, thoughts, and prayers to her family. Rest in peace my friends. 🧡💙💜
