“ Met in the late 80's Our kids grew up together then and even when we went our separate ways they still stayed in contact! Then in the 2000's when I became friends with your sister Sandi I had no idea that you were her sister! We reconnected in the most wonderful way! I will miss you my friend but I know that you are now with mom and not in anymore pain! Watch over the family and rest in peace! XOXO
