“ *To a True Gentleman,
You may not remember me. You, your wife & family, welcomed me into your home on a 6 week exchange trip, during the summer of 1988.*

Straight away, I was made to feel like one of the family. I was shown the sights, with trips to Hershey, Fun Parks & The Statue of Liberty. Most of all I loved the days, spent in the pool, the BBQ fired up & everyone gathered round.

I learned a lot that summer. You made a huge impact on my life. One which will stay with me forever. As long as my 3 children & my husband know Every day, how much I love them, it's a good day. My thoughts & prayers are with your loving family at this sad time. I'm for Dublin in a few weeks. Will have a wee Guinness in your honour.

Thanks for the memories.

“ I've just watched the video tribute in Tom's honor and my heart overflows. Tom never smiled more broadly than he did when he was holding and welcoming the newest baby into the family. He so wanted to remain on this earth to welcome Cris and Debbie's baby girl. I have a feeling he'll be watching every move from his new resting place. Tom, rest in peace my friend. Peggy, may God hold your heart in His hands and whisper comfort to you spirit. To every member of the Cullen family, though your loss be great I pray you find comfort in rich and wonderful memories of a good man who loved you so much. is great

“ My sympathy to the entire Cullen Family on the recent death of your husband, father, grandfather and great grandfather. I am a former business teacher and retired guidance counselor from Deptford High School, but remember many of you quite well. My thoughts and prayers are with you and your family.

“ We are going to miss you so much Poppop. Thank you for everything you have done for us. You are not only my grandfather but a father figure, my best friend, my hero, and a blessing. You have taught us so much that I will keep with me forever. The best is your unconditional love. I know you will always look over us and will always be in our heart. I love you grandfather.

“ Dad:
The best advice you ever gave me was "it is not stupid to fall down but stupid to stay there. I love you for who you are not for what you do."
You were larger than life dad and you left such a legacy of light and love.
You were always my hero. What a great husband, father, grandfather and great grandfather you were.
Thank you for always being there. I will miss you and look forward to the day when we meet again and are with the Lord. I can't wait till all the Cullens are together again at the Banquet table and waiting for God to dine with us.
I love you dad. Love and Prayers, your oldest daughter, Peg
