With deep regrets I only got to know and became friends with him for a short time. I knew when I first met Tom I was meeting a man that everyone could like. He was always kind, thoughtful and just a great person. We laughed and told stories from the past. I am going to miss sitting out side our houses having some Irish whiskey. I will think of him every time I now have some. R.I.P Tom.

“ *What a great friend. Tommy and I were friends for a lifetime. Our fathers were friends and coworkers. We were junior firemen at Tacoma fire company together. We went to school together I never heard him ever yell at anyone. He was always calm as one could be. Tommy had Fire science in his blood, He knew almost everything there was to know about being a fireman. Tommy was like a brother that you could always talk to and expect a good answer from. He definitely will be missed by all who knew him. May you rest in peace until we meet again?
Love you, Brother.
