“ *My brother who was the one to guide us when Dad passed and Mom worked. He took over the role he wZ to young to understand. But as far as I'm concerned. He did it well Been many years since we last saw one another but never did I forget any of my family. I'm not the bad guy. My heart is heavy that I could not be there. My mom's birthday also. Lori I can't imagine your pain but know you are in my prayers. Just as Joanne is and all my family. I hope someday we meet again. God Bless you all. Brother RIP. Job well done.*

“ I am sorry to hear about Tom, he was a good friend. one of my memories was that Tom and I car pooled to work for awhile. This particular night after work it was Toms turn to drive. I left my motorcycle at Toms house but somehow I forgot my helmet. Tom being very innovated gave me a football helmet and wrapped the face opening with saran wrap so i could drive the bike home.
