“ *I had a lot of great times with Rick and I do mean a lot. All the years of quading and muddin with our trucks and working for him at A & A Glass. The first true beer thirty company I worked for. Because of Rick I got the nickname "tattoo" which is another great story in itself. I am truly saddened to hear of Ricks passing , but whenever I think of Rick a smile will be on my face because of the aggressive way he lived life. I'll never forget the great times we had and I will always remember my friend Rick. Love ya bro. May you rest in peace*
