“ *Uncle Tom, it's really not the same without you here. I know that your at peace. You are loved beyond what you ever knew, the many lives you touched wether it be from a job you held, places you visited, or just through family members. Every time I make a Coconut Cream pie, I will think of you. When Jack makes pumpkin pies I will think of you..Every holiday thats at Maggie's house, you will be missed. I will think of you every time someone ask to watch a movie and the extremely large collection of movies that you have. I will think of you every time Brian turns on a NASCAR race and how much you enjoyed seeing Dale Earnhardt race. I am really happy that Colby and Dylan had the chance to know you and see what all of you family knew for years..You might have been tough but you loved us all...We all will miss you. We love you.. “ Although we haven't been in touch recently, it doesn't mean that I haven't thought of you. I have many memories that will stay with me forever! I remember and cherish all the many times when you and I went to the York Fair together (every year for many years). We also took many trips to the Berlin Auction. We would first have breakfast and then walk and walk and walk. York & Berlin...those were very special times we had together and I will hold onto them forever. My heartfelt sympathy goes out to all the family members in Jersey (especially Aunt Marge). I am certain that you will be greatly missed by all. Be sure to say Hi to Mom and Aunt Irene for me. I think of them often and hope that your reunion with them will be joyful. Love Alice
