“ When I think of cousin Tom, I will always remember him as a free spirit with a big heart. I spent more than one spring break at his home with my mom and the boys. As you could imagine, there was never a dull moment. I smile every time I think of all these memories and will never forget the times we shared. The whole Walsh family is in my thoughts and prayers. I wish I could be there so we could all sit around and share our memories together. R.I.P. "cousin Tom".
