“ Timmy had a big heart always had a smile. I met him while on a bowling league. It saddens me that I will never see him bowl again. He was such a nice guy. He will truly be missed.

“ Oh Timmy! I still can't believe your gone. I ask myself everyday, why did you leave this world. But then I get to thinking and its easier knowing that you no longer have to fight this uphill battle that you fought with for over a year. Remembering the times we had together make me smile. The first time you held Logan was memorable. You were so scared to hold him but you overcame that fear and whenever he was there you were always holding and playing with him. Your goofy laugh always made Logan laugh. He will always know who you were. Even though he doesn't understand it now he will grow up loving one of his favorite uncles! We have your picture with Logan in the frame that we made you for Christmas last year hanging up in the living room. We know you'll always be here to watch over us! Timmy, we miss you so much and I will love you always and forever! Rest easy bro!
