It seems just like yesterday we were playing by the pool and letting ballons go and watching them sail into the clouds. We wish we had the honor of meeting Tim. Thanks for the video & pics of his life. He was quite a man. Keep in touch, love always, Tom & Beth*

“ Dear Tim

*I will always see you in my mind smiling. You never complained. When I saw you last, you were so happy with Sue, the children, and mom and dad who spent time with you. I wish we could have spent more time together but you I know how much you loved Florida with the sunshine and the beach. The beach was your favorite. You will always be remembered in my heart as I love you dearly. Your big sister, Pam*
