“ Tim I never met anyone with a heart as big as yours. I will never forget when you spoke at Ambrosia on Christmas Eve. No one wanted to come out for the holiday but you did. That was one amazing thing about you Tim, the fact you always showed up for everyone. I remember hearing your story for the first time. It was deep and genuine. The hope you gave everyone in the room was amazing and your energy was radiating. I remember you saying how much your daughter meant to you and how your mother was your rock. The love you had for your entire family kept you going. I will keep your family in my prayers I know how much they meant to you, Ky and Wendy were your world. I just want to thank you for being you thank you and for the memories. I pray your soul is in peace free of struggle and worry. Sleep easy Timmy you will be forever missed.

“ The first night we met Tim, picked me up at my house in South Philly. Took me to a quaint little ice cream place where we shared our first ice cream Sunday which happened to be called “true love” we walked along the pier on Delaware Ave. and plotted on buying a puppy a puppy off this homeless girl. Since that night and through all our ups and downs we were inseparable. He will forever be the love of my life and no one will ever compare to the love, passion and sincerity we had for each other. We planned a future together and he was truly doing his best this past few months. He ALWAYS was willing to help anyone and so many people have reached out to tell me how and when he has in the past and recently. I’ll never forget our trip to OCMD and how he made sure everything was so perfect and special for me for our first vacation together. And just this Valentine’s Day that just passed how he sent me Three HUGE bouquets of flowers and made me feel so special and loved. He will forever be the man of my dreams and now my angel up above. Forever in all of our hearts.
