“ No words can express. But I will try to explain how special you were, so unselfish, so loving, such a big heart. Always looking for love that was right here. Our lives changed in an instant forever. I pray that you now have found the peace you longed for in the loving warmth of heaven. Until we meet again sis. I love you.

“ Gone.
Words I wish I had said and things I should have done. If only this, if only that, if only I had one last chance to say Good bye.
Busy hardworking girl, in service to others and never to YOURSELF.
Always giving more than you could keep.
Rest now, baby girl, you've done your service here on earth and now you'll find your peace. I know you will find your place as an Angel above as you carry a message to people like you and me. No more running around like crazy trying to figure it all out, trying to find a purpose, lost in a cold cruel world. Your unconditional love and service to others on earth will surely bless you with an Angelic job of PURPOSE in the hands of St. Jude!
You will forever carry a message of hope and a promise of freedom to anyone who chooses to listen.
Just For Today, I will be quiet and listen for your angelic wisdom!
Peace to you always.
Love, Lucy
