“ Aunt Toni, we will miss you! I enjoyed making the shawls and dresses that you had called and asked me to make for Sadie and Maggie. You were a special person the way you took care of your family, I'm sure they will pay forward all the love you shared with them, as we all will! Stacey, Billy, Dale Robert, Steven, Abby, Sadie and Maggie may you all find comfort in knowing that she was loved more than you know! Rest In Peace!

“ My Mom made sure she gave all of us kids a good life. She loved us and her grandkids so much. She loved me even when I wasn't so lovable and always forgave me for the wrongs I've done to her. I remember how ecstatic she was when every single one of the grandkids were born. I am grateful to be able to say she was my Mom and my childrens Grammy. I'll miss calling her to tell her any and everything, or to call just because I was bored. Even when this is full of people, it still feels empty without her. I hope I can hold onto and remember every memory I have of her forever. I'm glad she's at peace now. I already miss her so much.
