“ My friend for over 55 years after meeting at Western Ky U in 1964. Vince aka Stick was an intellent, and loyal frien who kept the "mental archives" of our shenanigans, behavior and memories of years gone by. I also knew his wife of many years Brenda. Above all, Stick was a man of great character and again a loyal friend. My condolences to his family. See you not that long from now somewhere in the Milky Way john ludwig

“ *I always knew Vincent as “Uncle Vinnie” and could always tell when
my dad was talking to him on the phone from the constant laughter.
In addition to being a dear family friend, I also had the pleasure of
having him as my history teacher at Kingsway and supplied him a
few college bumper stickers for his collection on the classroom
closet door. Rest in peace you and I hope you and dad are catching
up about the Phils and Eagles somewhere.*
