“ *Laura, Eventhough I just started working for the Twp. and I really don't know you that well, my deepest sympathies go out to you and your family for the loss of your mother. I've been through that several years ago with my mom. Time does heal all wounds. You'll never forget her and she'll always be in your heart. Again, my sincere condolences.*

My soul is complete wthi you as a mother, You have given me the love of no other.
My life would not have been completed without you here, You have been there for me year after year.
My mother, my mom, my hero, my friend and my foe, The best mom anyone could have asked for as you should know.
There is love in your heart for everyone to share, You have shown me how to love and I know you will show how you care.

“ Dear Bill, Shannon, Andrew and Amanday, What a wonderful tribute to your mother! The site and music you picked were so touching. Your mom was not only a devoted mother but also loved her grandchildren very much. Shannon, your faith was passed down from your mom and that is what's going to get you through this now. Please know that you are all in our prayers and hearts and we are here for you whatever the need. Love you all, your sister in law, Kelly and Mike.
