“ Hi, Theresa, I'm sorry to hear of your loss. One of my memories is working together with Bill as advisors to the student council. We had a really great group of students to work with, which made for lots of fun memories! Wishing the weather had cooperated, so I could attend today. With love, Kathy Kinner

“ Mr. Beecher was hands down the best teacher! He was my math teacher all through high school. I graduated in 2007. He always told me that I was his favorite and he was mine! Such an amazing teacher! I would bring him cookies to class sometimes after lunch lol. Sending prayers & strength to his family and friends. May his beautiful, kind soul rest in peace. 🙏❤️
