“ For My Brother, My Friend Jeff, you were a great brother. All you ever wanted in your entire life was peace. That day, my life changed forever. I immediately felt you with me, I still do today and I know I always will.

I promise you that you will live on through Harry and I and our sweet memories of happier times. I promise you that through the tears, I will seek laughter and through the heartbreak, I will seek peace. I promise you that I will live my life well, because I know that's what you would want me to do. And I promise you that from now until the end of time you will always be in my heart. No one can take that from me, no matter what. Thank you for always being you and for always loving me. I miss you with my whole heart.
Until we meet again..... Your sister, Cathy
