“ Of course I will never forget all the amazing memories with Mr. Boyer and the Boyer Family. I love you are so dearly and wish I was there to hug and support you. One of the memories that makes me smile was when myself and Mr. B along with Steph Boyer. drove to Billy's baseball game (of course) before heading to a memorable Florida / Disney vacation. I realized on that trip how cool Mr. B was when he started signing the blues:). He had a very nice voice and I always think of Mr. Boyer when I hear "Aunt no Sunshine". As we were adventuring to Florida , there was a great big moon surrounded by a rainbow, I shouted "looked Mr. Boyer, a faerie donut" , (Steph , not sure you remember that :)he made a silly comment, just like a Boyer would do (hehehe). Those faerie donut will always make me think of you !!!!!

OMG there is another one :)

It involves cats, Janelle, probably Pink Floyd and Bill and MaryLou heheh Janelle you know this one :) all I know is those cats were in BIG TROUBLE!!!!!!

Janelle , I am so sorry I am not there with you , but Im always here for you and love you.

Stacey and Billy love you guys and remember how much your Dad loves you. There was definitely no doubt that you kids were the center of his life and he loved you with everything:).

Marylou love you too!!!!

These memories make me smile and miss you all.

Mr. Boyer I love you and will always remember you as a STRONG, LOUD, Handsome, CARING , funny, never stop on the move cool dude:) with love and faerie kisses
