“ *Bill we have only meet you a few times but it seamed as if we knew each other forever. It was a pleasure to know you & be friends with you. I know you will look down on your family & friends everyday & keep them safe. Until we meet again my friend thanks for being you.*

“ *Don't think of him as gone away-- his journey's just begun, life holds so many facets--this earth is only one. Just think of him as resting from the sorrows and the tears in a place of warmth and comfort where there are no days and years. Think how he must be wishing that we could know today how nothing but our sadness can really pass away. And think of him as living in the hearts of those he touched...for nothing loved is ever lost--and he was loved so much. Our love and prayers are with you, now and always.*
