

## William C. Griffith

February 12, 1958 - April 13, 2018

William C. Griffith "Bill", 60, of Deptford, New Jersey, took his last breath on earth and first in heaven on Friday, April 13th, 2018.

Bill was born to George Griffith, Sr. & Anna (nee Reilly) Griffith on February 12th, 1958. Bill spent most of his life in Deptford, where he ran a successful glazier business, "Bill The Glassman," out of his home and shop for over thirty five years. He was a hard worker, but when his family and friends could get him to relax, he enjoyed fishing, camping and painting. Bill was a loyal man and known by family and friends to give you the shirt off his back or lend a hand in any way he possibly could. He loved his family well.

Bill will be incredibly missed by the love of his life and wife of 36 years, Merry (nee Ryan) Griffith, his daughter Angela (nee Griffith) Hobbs and son-in-law Mark of Lancaster, PA, along with his three grandchildren--Julianna, Jaxon & Jeremiah--who adored their PopPop. He will be forever cherished by his sister Joan (nee Griffith) Mullin of Sicklerville; his brother George Griffith Jr. and wife Jackie of Florida and his brother and sister-in-law, Bob & Bobbie Hughes of Turnersville. Bill is also now joyfully reunited with his son, Ryan Griffith. Bill will be missed by many loving family members and friends that were like family.

*Dear Merry, I am so sad to hear about Bills passing. I always remember the day we met your family. Such great neighbors and those great times down the campground. "Great Balls of Fire"! Those awesome BBQ's and great food and friends that last forever. Going to miss him dearly but will never forget what he taught and showed me as a glazier. He maybe gone but never forgotten. You have my deepest condolences to you and Angela. May he rest in peace and God Bless.*

*Merry: My heart is broken, because I know how very much the two of you loved one another. You married so young, yet your marriage lasted much longer than most of ours did. Spending time with the two of you were the "best of times". Who else would invite their friends to join them on their camping honeymoon? I am so grateful to Howard and Bill for going deep sea fishing with my dad...to him, they were the sons my dad never had. Captain Jack truly loved fishing with them. My love to you and your family always!*
