“ *Bill Harkins was a man whose presence lit up every room he entered, bringing joy, laughter, and a sense of camaraderie that will be deeply missed. We met through his involvement with the Toys for Tots program and as a cherished member of the AFUL fantasy football league—where he proudly led his team, the "Pogibaiters"—Bill created connections that went far beyond casual friendship.*

Bill's humor was unmatched; he had a unique way of turning every moment into one filled with smiles and unforgettable laughter. His playful jabs, like reminding his Army veteran friends what it really stood for, "Aint Really a Marine Yet"! showed his sharp wit and his loving nature. But more than anything, Bill had a heart so big it seemed to overflow with kindness and compassion. Whenever someone was in need, you could count on him to be there, offering support without hesitation.

He was not just a friend but a brother to so many. For those of us lucky enough to know him, Bill embodied loyalty, generosity, and the purest form of friendship. His memory will live on in the countless lives he touched, and his spirit will continue to inspire us to be better, to laugh harder, and to love more fully.

Bill, thank you for the memories, the lessons, and the laughter. You will be profoundly missed, but never forgotten.
