“ Dear Aunt Franny,
I know you will probably not read this anytime soon -- but my favorite movie in the world is Jimmy Stewart's "It's a Wonderful Life". I can think of no better movie to describe Uncle Bill's life. To be surrounded by so much family for so long is more than one can say.
What a great man he was. He will surely be missed by you.
You are in our thoughts and prayers.
Love Kathleen, Kile and the Boys.
