“ *Dor, We all loved Billiam (our Brother from another Mother) and we were so blessed to have him in our life, he was the greatest husband in the world, for this I am so happy, my sweet sister, he still is with you, I hear him when you speak, you are showing his wit, haha, keep on loving, he will be watching over you forever and 1 day. Love always your sister, Pete, Alexa and Tia*

“ *I'm the luckiest woman in the world to have had you as my husband for the past 33+ years. You always were there for me through thick and thin. You always made me laugh with your quick wit and easy going manner. I will always love you 4ever & ever. Keep the faith baby!*

“ Dear Doreen, You have been in my thoughts since I heard the terrible news of Bill's passing. I knew him as a contented man who was so very happy with his life with you. He was so funny, I'm sure you have many memories of the laughter you shared. Please email me when you are able. We live so close and I would love to take you to lunch and talk about your Bill. I know this is a devastating and profound loss for you.
