“ When I first started cycling with the PS club Bill was there to greet me and help me along. He always watched out for the new riders and gave pointers on riding well. I will always cherish his thoughtfulness.

"He didn't have to be so nice" but I learned that was just Bill

See you friend

“ I met Bill at church a few years ago and we became friends. The past 3 years he volunteered with me at our street ministry's Christmas Eve event for the children in Camden. He had a huge heart and cared about everyone. He often spoke of his niece Addie, who he took under his wings when her father passed. He loved the Lord and he was always hopeful for a chance to share his faith. I miss you and I love you my brother!

Janet, my prayers are with you - let me know if I can do anything for you

“ I’m so glad I was able to spend time with my cousin Billy a few years back at my house. He came to Florida for a few days and spent that time at my house came in for a haircut we went out to dinner and got reconnected with each other. I had not seen him in years before that. We always had fun times together growing up. Our parents were very close, we spent a lot of times together. I was in Janet and Billy’s wedding❤️.

When I had my open heart surgery and carotid artery surgery he was there on the phone every day talking to me and praying for me that was not even a year ago. We talked a lot on the phone he gave me a lot of inspiration. And I know he prayed for me daily. I cannot believe he is no longer with us and I will not be able to talk to him on the phone, I always felt good after speaking with him on the phone. He was a good man and a good husband and very good to his niece Addy. RIP Billy xo 🥺

“ I know Bill from the cycling team. He always picked up strangers on the side of the road whenever they were riding along. Never left a rider behind - an amazing leadership on the road and off the road. Always had a smile and a joke to tell - I will miss you buddy.

“ I've known Bill since we both became cyclists. He was passionate about fund-raising for great causes, for giving the fun riders a regularly scheduled rides and just being a great person who cared about other people.

Bill will be missed by many. Condolences to Janet, who we all know loved dearly and his favorite niece who many of us saw grow-up into a lovely young lady.
