

William K. Rosenberger

November 24, 1933 - November 25, 2024

William Kenneth Rosenberger, 91

AKA “Bill”, “Redsy” or “Rosy” depending on your association with him.

Predeceased by his lifelong love Joni, he is survived by his son Brian (Carrie), daughter Cheryl (Joe), grandchildren Derek Boggi (Heather), Carlie Mercado, & Olivia Rosenberger, great grandchildren Jagger and Brielle Boggi.

Born in Philadelphia his family moved to NJ and he became a longtime West Deptford, NJ resident. He and Joni graduated from Haddon Heights HS, attending class reunions until just recently. Bill retired from the NJ State Police to find a new career as a beloved bus driver for WD Schools. He enjoyed helping the children.

An active sports player in his youth he became an all round enthusiast in his later years. There was no sport that could not start an in depth conversation! His retirement hobby of growing Canna lilies with Joni led to renown amongst county residents stopping to buy bulbs from them. (“It’s the lot with the deer!”) “All in Bill” also enjoyed playing Texas Hold Em with his friends at the Garrison.

Bill will be remembered and missed by all that crossed his path in life.

“ *My thoughts and prayers are with the Rosenberger family...worked with Rosy at Mantua. Remember playing basketball with the troops at Camden County College. Rosy played like it was football. What a great guy.....sadly missed Michael Riggs #3445*

“ Being a childhood friend of his children (Brian & Cheryl), I have known Mr. Rosenberger (that's what we called him growing up) most of my life. He was certainly a man's man, who had an unbelievable work ethic. Besides being a State Trooper, Mr. Rosenberger also had his own roofing & siding company. He wasn't afraid to work. And a good example of his dedication to work was when he attended my wedding. He was dressed in his roofing clothes (he had just finished a job). He had on sneakers, torn jeans & a cutoff sweatshirt with tar all over it. I would have it no other way because that was who Mr. Rosenberger was. He certainly traveled to the beat of his own drum.
RIP Mr. Rosenberger (Redsy) you will be missed.

“ My sincerest condolences on the passing of “Rosy”. Spent many a midnight on patrol in Bridgeton with him. Many fond memories of roofing and siding with him and tennis. He took care of me through difficult times. A good man. Prayers to your family for peace and comfort.

“ *Our deepest condolences....., best memory was when he loaded us up in that old "pick-up truck" to the ball field in Westville. He was steady pitcher and it was the first time I batted against fast pitching. I've never forgotten that day and the example he set in my mind when it was my turn to raise my kids and their friends !*
