“ I’m at a loss for words. Amazing and caring man. I remember the first time I met him I knew he made Jen happy! Bill loved karaoke, we all looked forward to him singing especially his duets with Chris. My boys also loved Uncle Bill, he would take the boys fishing and signed my oldest up to go every weekend-we’ll that lasted one weekend Dalton said sorry Uncle Bill too early for me. Bill lit up when you talked about fishing or his boat. Our trip to Virginia are done great memories too. So many memories. I know we didn’t get to see you much the last few years but all the memories from over the years I will never forget. Heaven gained an Angel. We will all miss you and that smile, we all love you

“ My sincere condolences to the family of Bill Sleek. Bill and I met at Auto Max. He always had a joke to keep me laughing. But there was a serious side he was the most loving, caring human being I ever met. He was there to listen if you needed to talk. A true friend. He will be deeply missed.
