“ Bill was a fine gentleman who left us too soon. We know that even though he had to leave his earthly body his spirit lives on to guide each and every one of you all the days of your lives. He has to be so proud of the beautiful way you honored his life. The evidence of the love of this family was everywhere. Cherish the gifts of your priceless memories as they are far better than any other gift he could have left you. We pray that God will give you peace and strength in the days ahead. If there is one thing we know for certain is that Billy's beautiful family is and always will be his greatest achievement. He loves all of you more than anything.

“ Bills smile would light up a room. The happiness you shared with your beautiful family and friends was priceless. I'm thankful to consider the Stahl family both. You always knew how to have fun. And even when life got in the way when we did get together we never skipped a beat. Your kindness and loving heart will always be remembered. Today.. Bill I know you have seen the face of God. He only takes the best

“ *My husband is on the Bellmawr School Board with your brother "Juice" and while we do not personally know you I can truly see by the memory video that you were a man loved beyond words by your family and they were embraced with love from you.*

To your family....we are truly sorry for your loss. No words at this time are comforting enough but we would like to express our deepest sympathies. May your loved one fly high with the angels and find peace in the arms of God.

Sincerely,

“ *Bill was the Superintendent for Mid Atlantic when I came to work for them in 2000. I was going through a really tough stretch in my life. I will forever be grateful to him for his compassion and understanding. I made it through that time and stayed on with Mid Atlantic for almost 2 years. I never met a more fair and honest person.*

Rest in Peace Bill!

“ I have been thinking of what to say, but the obituary pretty much summarized everything. Billy was a great friend to me. I learned early in our friendship, especially if we were limited on time was to take the microphone off of him, and I am also sure that all car salesman in the Tri-state area will miss him. Lol
Getting to know Billy, and be a part of his family was a great privilege, that I had in my life time. The world has lost a truly great man and I know Billy will be forever missed.
